Experience

SDE Intern | Bluestock Fintech

Aug 2024 - Current

Remote - Delhi

- Enhanced user experience by developing intuitive UI components for the web application.
- Provided technical support to end-users, resolving issues quickly and effectively.
- Delivered high-quality solutions under tight deadlines while maintaining strong attention to detail throughout the development process.

PROJECTS

ChatAI | ReactJS, NodeJS, MongoDB, Express

Aug 2024-present

Developed a Full Stack web application using MERN stack which uses Gemini and works similar to Chatgpt.

- Developed RESTful API using express.js routing
- Used Node as backend and ReactJS as frontend

VEGIKART | HTML, CSS, ReactJS, MySQL, JS, PHP

March 2023

Vegikart is a dynamic online grocery store designed to bridge the gap between local farmers and consumers. The platform enables local farmers to sell their fresh vegetables and other goods directly to buyers, promoting sustainable and community-supported agriculture

- Implemented back-end using MySQL and PHP,
- Developed front-end using ReactJS.
