## EXPERIENCE

**Web Development Intern** Jan 2025 – Mar 2025  
Zidio Development Delhi

- Engineered a responsive React.js interface, reducing page load time by 30% and improving mobile usability.
- Integrated RESTful APIs with back-end systems, improving data flow and reducing load times by 25%.
- Collaborated with cross-functional teams to design, test and launch 2 full stack features using Git-based workflows.

**Software Developer Intern** Oct 2024 - Dec 2024  
Clipwise AI Gurugram

- Resolved critical Django + HTMX script reloading bugs, improving user retention by 20%.
- Developed an AI-driven script modification module, increasing engagement by 25%.
- Built an user-generated content customization tool, adopted by 80% of active users in the first month.

**SDE Intern** Aug 2024 - Sept 2024  
Bluestock Fintech New Delhi

- Redesigned frontend UI and navigation, reducing user drop-off by 30%.
- Developed scalable components for internal tools, ensuring 100% system up time.

## PROJECTS

**Animated Landing Page Website** Built an interactive landing page with animations, optimized for cross-device compatibility and fast load times. ([Try it here](#))

**Interview Genie** Designed an AI-powered interview prep platform handling 100+ job roles with server-side rendering. Integrated AI-generated role-specific interview questions with instant feedback

**VegiKart** Developed an online grocery platform reducing order steps by 30% for better usability. Optimized performance for 30% faster load times and ensured accessibility compliance.

## CERTIFICATIONS

- [Accenture Developer and Technology Job Simulation](#) - Completed virtual project simulating real-world developer tasks.
- [Naukri Campus Young Turk \(2024\)](#) - Achieved 97.64 percentile, top national ranking in aptitude and technical problems.
- [Internshala Training](#) - Web Development Training covered HTML, CSS, Bootstrap, DBMS, Js, React.js.
